NEOLITHIC

"Neolithic is the highest-earning son of Harlan's Holiday – a sire of sires whose stallions sons include Into Mischief - out of a stakes winning and multiple graded stakes producing mare. Florida's Leading Freshman Sire in 2021, Neolithic has also been Leading Second Season Sire of 2022 and Leading Third Season Sire of 2023 by Cumulative Earnings"

The cross of Harlan's Holiday line stallions with mares from the **Gone West** branch of **Mr. Prospector** has been an extremely successful one. There are seven stakes winners, two grade one out of mares by **Speightstown** (sire of **Munnings** and **Central Banker**); mares by **Mr. Greeley** (sire of **El Corredor** and **Whywhywhy**) have supplied seven stakes winners, including Kentucky Derby (G1) and Breeders' Cup Classic (G1) winner **Authentic** and stakes winner **More Mischief**; there are also stakes winners out of mares by **Quality Road**, and his sire **Elusive Quality** (also sire of **Smarty Jones**, **Great Notion**, **Omega Code** and **Exclusive Quality**), **Grand Slam** and his son, **Limehouse**, and **Proud Citizen**. Other sons of **Gone West** to have stood in Florida include **Dance Master**, **Bahamian Squall** and **Double Honor**.

The Harlan's Holiday line line has done extremely well with **Forty Niner** line mares. The brilliant **Goldencents** is out of a mare by **Banker's Gold**, and there are 11 stakes winners, including grade one winners **Life is Good** and **Practical Joke**, out of mares by **Distorted Humor** (sire of **Flower Alley** – broodmare sire of a Harlan's Holiday graded stakes winner – **Sharp Humor**, **Drosselmeyer**, **Maclean's Music**, **Jimmy Creed**, **Alternation**, **Brethren**, **Any Given Saturday**, **Boisterous**, **Cowtown Cat** and **Khozan**). **Banker's Gold** and **Distorted Humor** are both sons of **Forty Niner**, a stallion who could also be introduced through mares by **Coronado's Quest**, **Gold Fever**, **Roar** (broodmare sire of an Harlan's Holiday line stakes winner), **Trippi** (broodmare sire of a Harlan's Holiday line graded winner) and **Twining**.

Harlan's Holiday has crossed well with mares from the **Fappiano** line particularly through **Unbridled**, notably through his son **Unbridled's Song**, broodmare sire of seven Harlan's Holiday line stakes winners, one grade one, and **Empire Maker**, broodmare sire of nine Harlan's Holiday line stakes winners, including Kentucky Derby (G1) **Mandaloun**. Looking at sons of **Unbridled's Song** we can note a grade one winner out of a mare by **Dunkirk**, and stakes winners out of **Songandaprayer** and **Political Force** as well as **Liam's Map**, **Arrogate**, **Mission Impazible**, **Midshipman**, **Rockport Harbor**, **Cross Traffic**, **Graydar**, **Half Ours**, **Old Fashioned**, **Will Take Charge**, **Cross Traffic** and **Noonmark**. **Empire Maker** is sire of **Pioneer of the Nile** (broodmare sire of a Harlan's Holiday line stakes winner) and **Bodemeister**, and grandsire of **American Pharoah**, **Cairo Prince** and **Classic Empire**. There has also been success with mares **Unbridled** sons, **Broken Vow**, **Saarland**, **Spanish Steps**

(brother to Unbridled's Song), **Malabar Gold**, **Red Bullet** and **Untutable**, and grandson, **Birdstone**.

There are Harlan's Holiday line stakes winners out of mares by Mr. Prospector son, **Carson City**, and his son **Five Star Day**, which also suggests daughters of **City Zip** (sire of **Bustin Stones**, **Palace and Run Away and Hide**), **Cuvee**, **Good and Tough**, **Hear No Evil**, **Lord Carson** and **Pollard's Vision**. Into Mischief has sired stakes winners out of daughters of **Mutakddim** and **Bob and John** (both by **Seeking the Gold**, also sire of **Petionville** and **Cape Town**), and graded stakes winner Miss Mischief out of a mare by **Lemon Drop Kid** (by **Kingmambo**). Overall, almost any strain of Mr. Prospector might prove positive here, but we can note that Into Mischief has also sired graded winner Bye Bye out of a mare by **Smart Strike** (sire of **Curlin** – himself now broodmare sire of an Into Mischief stakes winner – **Lookin At Lucky** and **English Channel**) also has stakes winners out of mares by **Thunder Gulch** and **Pulling Punches** (by **Two Punch**, also sire of **Smoke Glacken**). From another branch of the sire line stemming from Mr. Prospector's sire, Raise a Native, that of Majestic Prince, Into Mischief has graded stakes winner Mighty Mischief out of a mare by **Super Saver** (by **Maria's Mon**), himself sire of **Runhappy**.

Turning to the **Northern Dancer** line, we find that Harlan's Holiday has enjoyed considerable success with mares from the **Danzig** line who should be particularly good here. We can note graded winner Can The Man out of a mare by **Danzig** himself, a graded stakes winner out of a mare by **Fastnet Rock** (from the **Danehill** branch), graded stakes winners out of mares by **Hard Spun**, and **Langfuhr** and his son, **Lawyer Ron**, and stakes winners out of mares by **Lil's Lad** and **Polish Numbers**. There are a number of other sources of Danzig that would appeal here, including **Belong to Me** (who should be particularly good here), **War Front** (sire of **Declaration of War**, **The Factor**, **Summer Front**, **Air Force Blue**, **Data Link** and **Hit it a Bomb**) and **Exchange Rate**.

Harlan's Holiday line stallions have done well with mares from the **Sadler's Wells** branch of Northern Dancer, including three stakes winners out of a mares by **El Prado**, and others out mares by his son **Medaglia d'Oro** and grandson, **Warrior's Reward**. Medaglia d'Oro is also sire of **Violence**, and **El Prado** is also sire **Kitten's Joy** and **Artie Schiller**. This also suggests horses from other branches of Sadler's Wells such as **Magician**, **Cape Blanco**, **Powerscourt** (broodmare sire of a grade one winner by a Harlan's Holiday line stallion), **Sligo Bay**, **Treasure Beach** and **Perfect Soul**.

Neolithic stakes winner Make It Big is out of a mare by **Congrats**, a son of **A.P. Indy**. Congrats is a brother to **Flatter** (sire of **Flat Out** and **Upstart**). Harlan's Holiday line stallions have also sire millionaire Owendale and graded winner Twenty Carat out of mares by **Bernardini** (sire

of **Stay Thirsty** and **To Honor and Serve**) and graded stakes winner Hoosier Philly out of a mare by the similarly-bred **Tapit** (sire of **Constitution, Cupid, Frosted, Tapizar, Tonalist, Tapiture** and **Trappe Shot**). Tapit is by Pulpit, the broodmare sire of a Harlan's Holiday graded stakes winner, and also sire of **Sky Mesa** (broodmare sire of a Harlan's Holiday line stakes winner), **Stroll, Corinthian** (broodmare sire of a Harlan's Holiday line stakes winner), **Mr. Speaker, Parading, Sightseeing, Power Broker** and **Lucky Pulpit** (the sire of **California Chrome**) There are also Harlan's Holiday line stakes winners out of mares by A.P Indy sons **Aptitude** and **Olmodavor**, which additionally suggests introducing **Malibu Moon** (sire of **Orb**), **Mineshaft** (sire of **Dialed In** and **Discreetly Mine**), **Girolamo, Jump Start, Take Charge Indy, First Mandate** and **Stephen Got Even** (sire of **First Dude**).

Neolithic stakes winner Cattin is out of a mare by **Adios Charlie**, by **Indian Charlie**, who is broodmare sire of Harlan's Holiday line grade one winner Dayoutoftheoffice and multiple graded stakes winner Frank's Rockette. Indian Charlie is also sire of **Uncle Mo** (sire of **Nyquist, Laoban** and **Outwork**) and **Liaison** and **Cindago**.

Out of mares from the **Relaunch** line come Harlan's Holiday line Champion Two-Year-Old Filly Wonder Wheel, out of a mare by **Tiz Wonderful**, a son of **Tiznow**. There are also four graded stakes winners out of mares by Tiznow, one out of a sister to **Colonel John**, and Tiznow is also sire of **Gemologist** and **Tizway**. From this line, there are also Harlan's Holiday stakes winners out of mares by **Honour and Glory** (sire of **Put It Back**), and **Skywalker** (sire of **Bertrando** and grandsire of **Officer**).
